CARDINAL FINANCIAL'S RATE PROTECT

Rate Protect

Protect your rate. Shop with confidence.

At Cardinal Financial, we know how important an interest rate is to your clients. That's why we want to protect it. Using Rate Protect, your clients can lock in their rate for up to 90 days while they shop for the right home. If rates increase, their rate stays the same. If rates drop, they'll benefit from a lower rate.

Here's How It Works

In today's fluctuating market, things change, and fast. But with Rate Protect, your clients will get the protection and peace of mind they deserve. Once you pre-approve them, Rate Protect gives your clients the strength of an all-cash buyer, allowing them to go out and shop for a home with confidence.

Tell your clients about Cardinal Financial's Rate Protect! It's in their best interest.
